# DIRECTORS

*H Chiviya*

Chief Executive Officer

Mr. Chiviya, the founder and visionary leader of Future Tide, is endowed with the stamina and focus essential to propel the company forward.

He has established a strong profile in the trucking industry, both upstream and downstream through working close with world-class distinguished and established leaders in their positions. Besides his strong technical and business background, he has developed powerful relationships through assignments, research and networking in commodity broking since 2000. He has witnessed an exceptional self-growth and is willing to learn more to acquire new business, coordinate, run and generate profits for Future Tide.

---

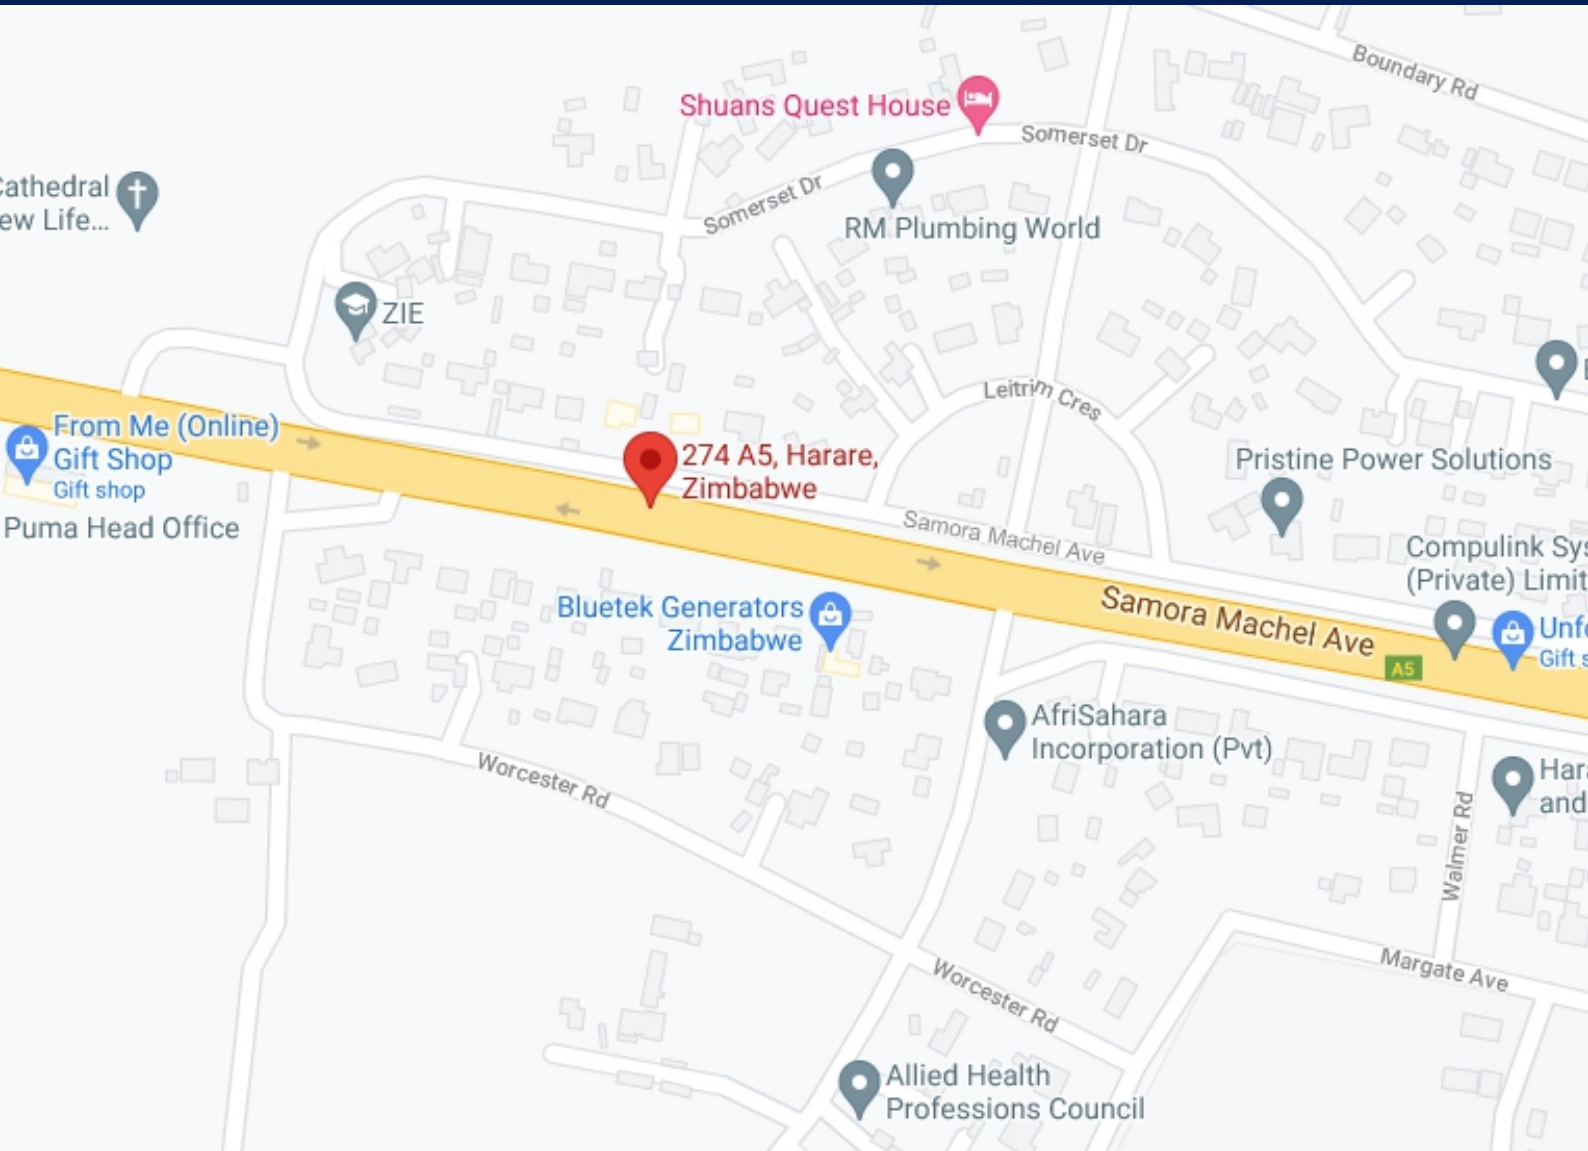

*Abigail Hungwe*

Finance Director

Future Tide Finance Director, Abigail Hungwe, holds an Honors Degree in Business Studies, with majors in Finance and Banking. Her business exposure spans well in excess of five years.
